

25 for 25: Film Festival Favorites

In honor of the Philadelphia Film Festival's 25th year, we'll be bringing back favorite titles from former Festival line-ups. Featuring two retrospective titles per month, this yearlong series provides a perfect opportunity to revisit award-winning classics or discover under-the-radar gems.

This initiative will be a part of the Philadelphia Film Society's **PFS On US Free Ticketing Program** presented by **PNC Arts Alive**.

PFS On Us is a free ticketing program presented by PNC Arts Alive that unites a diverse group of individuals involved in non-profit organizations, arts and cultural groups, universities, and hundreds from Philadelphia's general public who want to share in the excitement of powerful new cinema. Thanks to the generosity made possible through **PNC Arts Alive**, PFS will grow this initiative into a year-round film engagement program.

Philadelphia Film Society (PFS) creates opportunities for diverse communities to experience film through initiatives that inspire, educate, challenge and entertain. It is committed to presenting film as a powerful medium for artistic expression, transformative force and catalyst for strengthening community. As the producer of the Philadelphia Film Festival and creative force behind the Prince and Roxy Theaters, it raises awareness of film as an important art form in Philadelphia. PFS is a nonprofit organization that is the region's foremost resource for film presentation and education, serving as a vital member of the arts and culture community.
