

PHILADELPHIA FILM SOCIETY CORPORATE MEMBERSHIP

As a Corporate Member, you'll join a growing group dedicated to bolstering our city's economy and strengthening PFS's cultural impact through film based initiatives that inspire, educate, challenge, and entertain. Support from Corporate Members also provides critical funding for day-to-day operating, advancing the work of programmers, educators, and all of the exceptional staff who bring our events to life.

In appreciation, we offer exclusive benefits, including client and employee entertaining opportunities, admission to screenings, networking opportunities with fellow business leaders and PFS leadership and staff, and much more.
